# SAMSON successfully achieves re-accreditation to ISO 9001 at the new 2015 standard

Ely/UK, January 2018

**SAMSON Materials Handling Ltd. has successfully achieved re-accreditation of the international quality management system ISO 9001. SAMSON has also transitioned from the old 2008 to the newly recognised 2015 standard.**

On 17 January 2018 SAMSON Materials Handling Ltd, Ely, UK, successfully achieved its re-accreditation to ISO 9001 as well as transitioning from the old 2008 standard to the newly recognised 2015 standard.

ISO 9001:2015 is an internationally recognised quality management system. The ISO 9001 standard demonstrates commitment to quality, customer focus and continuous improvement. In order to obtain this accreditation an organisation must demonstrate its ability to satisfy the requirements of the customer in addition to any statutory and regulatory requirements. SAMSON achieved this new standard without any non-conformances being identified.
